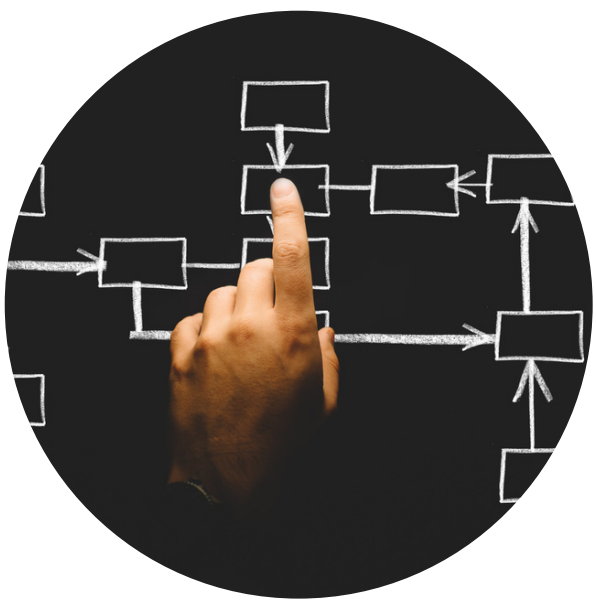
PARENTAL EDUCATION AND AUGMENTED REALITY
TO PREVENT BULLYING AMONG CHILDREN

ABOUT THE PROJECT

‘Like Father Like Son’ project aims to equip parents and guardians of children (10-15 years old) with knowledge, skills and tools to support them deal with such issues and contribute in the prevention of bullying and children violence. Three project results had been made based on the lifelong learning needs of parents.



1 OVERVIEW ON BULLYING

The first project result focuses on the development of an educational framework and consist of:

- Desk Research
- Field Research
- Syllabus

2 LEARNING MATERIAL & AR GAME

The second project result covers parents/guardians needs identified through project result 1. Specila learning materials can be download in all partner languages.

- Learning materials

3 GUIDELINES

The third project result provide not the tools, but also the know-how to use the materials developed as part of the LFLS project. Specifically, guidelines focus on the development of practical guidelines on how to apply the theory from the learning material into practice using the AR game developed.

Guidelines are available in all partner languages.

- Guidelines
